

# Custom Fluid Power

CFP is a full line stocking distributor of fluid components and accessories.

Exhaust Mufflers, Speed Controls,  
Breather Vents, Magnetic Switches,  
Pressure Switches

Brass Cylinders, Stainless Cylinders,  
Air Clamps, Solenoid Valves

Fittings & Accessories, "Swift Fit"  
Universal Thread System

Hose, Tubing, Fittings, Couplers

Pneumatic & Hydraulic Cylinders

Valves, Sensors, Flow Meters,  
Converters

Ball Valves, Filter Assemblies, Check  
Valves, Clamping Systems

Liquid Filled & Dry Pressure  
Vacuum Gauges

Air Tools, Accessories, Air Line  
Controls

Oil Lubrication Systems, Grease  
Distribution System

Brass & Stainless Steel Manual Ball  
Valves, Pneumatic Ball Valves,  
Electric Actuated Ball Valves

Direct Operating Mini Solenoid Valves,  
Direct & Air Pilot Valves, Miniature  
Fittings

Gauges, Hydraulic Motors, Ball Valves,  
Accessories

Cylinders, Rotary Actuators, Slides,  
Grippers, Valves & FRL's

Actuators, Servo-Pneumatic Control,  
Motors/Controllers, Grippers, Valves,  
FRL's, Sensors, Components

Clear Plastic Tubing, Coiled Hose  
Including Polyethylene, Vinyl,  
Polyurethane & Nylon

Quick Detachable Couplers, Hose,  
Blow Guns

Inductive & Capacitive Proximity  
Sensors, Safety Light Curtains,  
Sensor Cables

Pneumatic Components, Air Piloted,  
Vacuum Piloted, & Solenoid Valves,  
Air Act & Cylinder

Linear Motion, Needle Roller  
Bearings, Motion Guide

High Purity Fluid Handling Products

Vibration Isolation, Energy Absorption,  
Air Springs

Rotary Actuators, Multi-Motion  
Cylinders, NFPA Cylinders, Guided  
Cylinders

Condensation Drains, Oil/Water  
Separators, Electronic Timers, Valves

Hydraulic Manifolds, DO3  
Manifolds, Return Manifolds

Filters, Regulators, Lubricators, & Air  
Dryers, Lubrication Systems

Pneumatic Products, Solenoid Valves,  
Pneumatic Cylinders, Fittings, Air  
Treatment, FRL's

Control Cabinets, Connectors,  
& Interfaces

Pressure Transducers, Custom  
Engineer Switches, Cylinders

Pressure Gauges, Pressure  
Transducers, Transmitters & Load  
Cells

Precision Control Orifices, Switches,  
Sensors

Miniature Pneumatic Components

Tubing, Fittings, Manifolds, Couplers

Hydraulic—High Flow Directional  
Control Solenoid Valves, DO3 / DO5  
Valves

Quick Disconnect Couplings,  
Diagnostics, Valve, Pipe & Hose  
Clamps

Pressure Control Valves, Pressure  
Sensors, Regulators, Panel Meters,  
Power Supplies

Pneumatic Valves, Control Systems

One Touch Fittings, Bulkhead Unions

Pneumatic & Hydraulic Cylinders,  
Actuators, Pancakes, Presses

Pneumatic Valves, Fittings, Flow  
Controls

"ISO 9001/Vision 2000" Hydraulic  
Quick Disconnect and Check Valves

Industrial Joystick and Control Grips

Cylinders, Valves, Vacuum,  
Fittings, Tubing, Flow Control  
Equipment

Pneumatic & Electric Solenoid Valves,  
Connectors, Wiring Assemblies,  
Fittings

Modular Aluminum Framing  
Systems, Inch & Metric Extrusions,  
Common Fasteners

Multi Line Pneumatic Connectors

Advanced Cleaning System for Fluid  
Power Contamination

Vacuum Pumps, Blowers, Air  
Amplifiers, Vacuum Cups, End of Arm  
Tooling, Vacuum Pumps
